(whether one or more, the “Author”)

The Publisher and the Author hereby agree as follows:

1. PREPARATION AND DELIVERY OF MANUSCRIPT

(a) The Author shall facilitate the preparation of the textual material (the “Manuscript”), and supply to the Publisher within a reasonable time, but no later than **1st February 2024**, a work consisting of approximately **three hundred (300)** Manuscript pages, up to **fifty (50)** Illustrations (including the Alt Text (as defined below)), and the subject index (the “Index”), and such other materials described in this Paragraph 1 (jointly, the “Work”) with the title:

Agility Bites: From Craft to Craft

or such other title as may be determined by the Publisher in consultation with the Author.

The Author shall submit the Manuscript in a suitable electronic format specified by the Publisher. The Publisher will provide guidelines to assist the Author.

The Illustrations submitted to the Publisher must include original electronic art files suitable for placement or reproduction, in the format specified by the Publisher. Each Illustration must include a caption and an alternative text description to assist print impaired readers (“Alt Text”). As deemed necessary, the Publisher agrees to touch up, redraw, or otherwise convert line drawings into an acceptable electronic format for reproduction, the reasonable cost of which will be applied against the Author’s Royalty Account.

(b) In the event the Author does not deliver the Index in form and content acceptable to the Publisher, within the time

period established by the Publisher in consultation with the Author, the Publisher shall apply a reasonable charge to the Author’s Royalty Account for expenses incurred by the Publisher to compile the Index.

(c) The Author shall make every reasonable effort to obtain original material for the Work. The Author will provide the Publisher with written permissions necessary for the use of material which is not original or he/she does not own, and all fees and expenses for the use of such material will be borne by the Author. The Publisher shall make available to the Author Permission Verification Forms that have been approved by the Publisher for the Author to list copyrighted material for which permission has been obtained. If permissions are not obtained within two (2) weeks after the Work is delivered and the Author is unable to obtain these permissions, the Publisher has the right (but not the obligation) to take such action as shall be required to obtain the necessary permissions. Any permission charges or other expenses incurred by Publisher in securing such permissions (including reasonable legal fees), shall be charged to the Royalty Account.

(d) The Author is responsible for providing a chapter abstract for each chapter (approximately 150-200 words each) at the time of delivery of the Work to the Publisher. These abstracts will become part of the book’s metadata but will not be printed in the book, and should not be listed in the Table of Contents.
